

Dress Code ENHS Campus Policy

The dress code is based on Edinburg Independent School District policy and reflects the standards and values of the community.

The dress code policy exists to improve and maintain safety for all students. The policy is designed to prevent distractions in classroom and help students focus on instruction rather than on fashion.

The purpose of adopting these standards is not to infringe on any individual students right to freedom of expression, but to ensure the maximum safety of everyone and encourage students to dress for success and learning to attend school properly prepared to participate in the educational process. We appreciate and encourage your support.

In addition to our District Policy: FNCA (LOCAL)
